

Riftbound Core Rules

1. Game Overview

Riftbound is a trading card game for two players.

Each player builds a deck and competes to reduce the opponent's health to zero.

1.1 The Golden Rules

If a card contradicts the rules, the card takes precedence.

Impossible instructions are ignored.

1.2 Starting the Game

Each player starts with 20 health points.

Draw 5 cards to form your opening hand.

2. Card Types

There are several types of cards in Riftbound.

2.1 Champions

Champions are your main units. Each player starts with one champion.

2.2 Spells

Spells are one-time effects played from your hand.
